

Professional Learning

The Quality Assurance Achievement Program also helps to plan professional learning opportunities with various community partners and other supports to all LCC and EON programs in our district

LifeWorks

Dr. Jean Clinton

The Hanen Program

Karyn Callaghan

OUTLOUD
NORTH BAY

Promoting Mental Health in Young Children

Some of these sessions are offered live (in-person or virtual) or they are pre-recorded. Some of the sessions that we have recorded for viewing are: Risky Play, Loose Parts, Provocations and Invitations to Play, Pedagogical Documentation..etc.

We have been fortunate to have Karyn Callaghan, Pierre Harrison, Seth Compton, Dr. Jean Clinton, to support with some of our specialized topics

We also have a resource lending library that includes books such as Loose Parts 1, 2 and 3, Designs for Living and Learning, Hundred Languages of Children, Messy Play in the Early Years, etc.
